

# BandWorks Summer Camp Programs

BandWorks offers four different summer camp programs for kids and teens at more than 10 locations around the Greater San Francisco Bay Area, as well as in Portland. We provide a supportive environment for young musicians to have fun playing music with other kids, develop their music skills, and work cooperatively toward a final performance or CD recording. We welcome campers ages 8 to 18 and place them in bands with other musicians of similar ages. Our one-week sessions run throughout the summer, and campers often sign up for multiple weeks. Morning (9am to 12pm) and afternoon (1pm to 4pm) sessions are available each week. Supervision between sessions is provided for kids who sign up for both morning and afternoon programs. All of our sessions are led by trained, professional musicians who love working with kids.

All of our studios come professionally equipped with drums, PA, mics, bass amp and keyboard. Campers should bring their own instruments and guitar amps (except for the Intro to Rock Band Instruments Camp, where all instruments will be provided).

## Camp Descriptions

- I. Intro to Rock Band Instruments:** (No musical experience required. All instruments provided.) A fun, hands-on-instruments workshop for those who want to play guitar, bass, drums, keyboards or sing. No previous experience is necessary, complete beginners are welcome! Campers receive basic instruction on a variety of different instruments and get to experience the thrill of playing in a band. Start playing music on the first day, and by the end of the week you'll be rocking out in a live performance at our studios!
- II. Rock Jam:** (At least 6 months musical experience required.) For those ready to rock! Each day you'll practice covers and/or originals you and your bandmates have chosen to work on for the week. You'll get plenty of chances to solo, sing (if you want), and rock out while you rehearse the tunes for an in-house concert at our studios at the end of the week. Some musical experience required. In addition to guitar, bass, drums, keyboard and vocals, BandWorks bands often include musicians who play trumpet, saxophone, flute, violin, cello, percussion and a variety of other instruments. (Limit 2 drums, 2 bass, 2 keys per band).
- III. The Music of... Green Day / Red Hot Chili Peppers / Jimi Hendrix / Led Zeppelin / Beatles / Rolling Stones / AC/DC / Nirvana / Classic Rock Bands / Guitar Hero:** (At least 6 months musical experience required.) Learn to play the music of your favorite band! What makes Green Day sound the way it does? How can you learn to play more like Jimi Hendrix? Why are Beatles tunes so catchy? Each week this workshop focuses on the music of one of these great rock bands. You will get to explore their sound and learn their musical tricks as you play their songs. We teach you what makes these songs work, breaking the music down so you can understand the band's style and learn to sound like them. By the end of the week your band will perform selected songs in concert at our studios. All instruments are welcome. Some musical experience required. (Limit 2 drums, 2 bass, 2 keys per band)
- IV. CD Recording:** (At least 1 year of musical experience required). Our summer CD Recording Program is for kids and teens who have some musical experience and want to play in a band and record a CD. We match students by instrumentation, age and experience level. Each session culminates in a live CD recording at the end of the week. Each day the band meets in a fully equipped rehearsal studio, and works on playing the handful of songs they've chosen for recording. Rehearsals are structured and fun, enabling kids and teens to play the music they want, and work toward the goal of making a CD the kids can take home on Friday. Please note that in our effort to offer the best possible experience in our CD camps, availability may be limited depending on enrollment variables such as age and experience level. Please contact us for specific up-to-date information about signing up. All instruments welcome. (Limit 2 drums, 2 bass, 2 keys per band).
