

BandWorks Summer Camp Programs

BandWorks offers different summer camp programs for kids and teens at 7 locations around the Greater San Francisco Bay Area. We provide a supportive environment for young musicians to have fun playing music with other kids, develop their music skills, and work cooperatively toward a final performance. We welcome campers ages 8 to 18 and place them in bands with other musicians of similar ages. Our one-week sessions run throughout the summer, and campers often sign up for multiple weeks. Morning (9am to 12pm) and afternoon (1pm to 4pm) sessions are available each week. Supervision between sessions is provided for kids who sign up for both morning and afternoon programs. All of our sessions are led by trained, professional musicians who love working with kids.

All of our studios come professionally equipped with drums, PA, mics, bass amp and keyboard. Campers should bring their own instruments and guitar amps (except for the Intro to Rock Band Instruments Camp, where all instruments will be provided).

Camp Descriptions

- I. **Intro to Rock Band Instruments:** Wish you could play guitar? Always wanted to try the drums? Whether you've never picked up an instrument before or are curious about trying a new one, this camp offers you a chance to learn some basic skills on guitar, bass, drums, keyboards and vocals. Campers get to experience the thrill of playing in a real rock band, playing songs together by the end of the first day, and working toward a rocking in-studio performance on the last day of camp! No previous musical experience required. All instruments provided.
- II. **Rock Jam:** For those ready to rock! In addition to playing your favorite rock songs, this camp offers bands the chance to compose and work on their own original songs. Our teachers will guide your band through the process of cooperatively composing songs complete with chords and lyrics, and help the band refine their arrangements and polish the final product for an in-studio performance at the end of the week. You'll get plenty of chances to solo, sing (if you want), and rock out on your favorite songs too. At least 1 year musical experience required. All instruments welcome. (Limit 2 drums, 2 bass, 2 keys per band).
- III. **Rock Band:** The pure rock and roll summer camp experience! Each week you and your bandmates choose your favorite songs from your favorite bands and rehearse them in our fully equipped studios, and work toward a rocking in-studio concert at the end of the week. Each week is different, with different kids, different instrumentation, and different songs, so sign up for as many weeks as you like! All instruments welcome. At least 6 months musical experience required. (Limit 2 drums, 2 bass, 2 keys per band).
- IV. **The Music of... Green Day / Hip Hop / Jimi Hendrix / Led Zeppelin / Metal / The Beatles / Red Hot Chili Peppers:** Learn to play the music of your favorite band! Each week this workshop focuses on the music of one of these incredible rock bands that have defined rock music over the past few decades. You'll get to choose a handful of their songs and rehearse them for a final in-studio concert at the end of the week. At least 1 year musical experience required. All instruments welcome. (Limit 2 drums, 2 bass, 2 keys per band).
- V. **Girls Rock:** The ultimate rock experience for girls! Girls work together to discover and develop their own voices and talents in a supportive rock band setting. Our experienced teachers work with the all-girl groups to develop a set which reflects the girls' unique tastes. The band will then showcase an in-studio performance at the end of the week. All instruments welcome. At least 6 months musical experience required. (Limit 2 drums, 2 bass, 2 keys per band).
