## III. Scheduling

Please indicate **ALL** times you are available to rehearse on a weekly basis by checking the appropriate boxes below. Scheduling is the most limiting factor for us in placing musicians in bands. The more times you list, the more likely you will get into a band. If you leave a box unchecked, we will not consider that time for your placement. **Only leave a box unchecked if you are sure you cannot make that time.** If you are a returning musician, every effort will be made to place you in the same group you have been playing in, unless you tell us otherwise. If you have scheduling preferences or certain musicians with whom you would like to play, please indicate them in the space below.

**IV. Fees, Refunds & Discounts**

In our effort to offer a very high quality experience for each musician, we balance many different factors in placing students in bands, including: scheduling, age, musical experience, instrumentation, stylistic preferences and other factors. **Occasionally we will not have an appropriate fit for a musician, even if he or she registered early. The more days and times you list on your registration form as available, the more likely we will be able to find the right band for you.** In the event that we are unable to place you in a band, we will refund your entire registration fee. We do our best to offer the best musical experience possible for all musicians in BandWorks, and work very hard to ensure that your experience is a positive one. In the unlikely event that we are unable to place you in a band this session, please try again next time!

**Early Registration Discount:** Workshop Fee is \$375 for registrations received by Monday, September 1, 2008. Includes a \$100 deposit (non-refundable).

**Workshop Fee:** \$395 for registrations received after the deadline of Monday, September 1, 2008. Includes a \$100 deposit (non-refundable).

**Refund Policy:** There are no refunds after the second class of a session, or for any missed classes. You will be fully refunded if we are unable to place you in an appropriate group.

**Family Discount:** Families with two or more members participating in any classes during the same session will receive a \$25 discount per person.

**V. Song Suggestions**

Please indicate any song suggestions you may have for the next session on the BandWorks Song List. We thoughtfully consider all suggestions, and make every effort to choose songs that suit the tastes and abilities of the members in each band. Please propose as many songs as you like (the more the better!), including ones that are not on the list. Be sure to include your song suggestions with your registration form.

*I have read and agree to the fees and refund, and would like to enroll in the next session beginning the week of September 15, 2008. I have enclosed my registration fee (including the non-refundable deposit and materials fee), as well as my song suggestions. Sign me up!*
